

MCON CURE WX

READY TO USE WAX BASED WHITE
PIGMENTED CURING COMPOUND

Product Description :-

MCON CURE WX is white-pigmented concrete curing compound with wax-based dispersion and selected white pigments. When properly applied, MCON CURE WX forms a premium-grade membrane, which optimizes water retention. The white pigment reflects the sun's rays to help keep the concrete surface cooler and prevent excessive heat buildup.

Features & Benefits :-

- When properly applied, provides a premium-grade film, which optimizes water retention.
- Offers a compressive strength significantly greater than improperly or uncured concrete.
- VOC compliant
- Protects by reflecting the sun's rays to keep the concrete surface cooler and prevent excessive heat buildup, which can cause thermal cracking.

Areas of Application :-

Street Roads

Highways

Curb Paving

Airport Roads

Technical Details :-

Homogeneity	Homogeneous
Colour	White
Chemical Base	Wax Co-polymer
State	Liquid
Density	1.10 - 1.20
Chloride Content	< 0.10 mass
Water Retention	0.42 kg/m ² as per ASTM C 309
Reflectance	85 % as per ASTM C 309: 06
Water retention efficiency/ Curing Efficiency	More than 90% as per BS 7542

MCON CURE WX

READY TO USE WAX BASED WHITE
PIGMENTED CURING COMPOUND

Easy To Apply :-

- Application equipment must be clean and free of any previously used materials.
- Any settling or separation in the container must be re-dispersed with gentle agitation prior to use.
- Spray on in one even coat with a hand or power sprayer.
- Typically dries in two hours, depending on jobsite conditions (temperature, wind, etc.). Restrict foot traffic for at least four hours.
- Immediately clean tools, equipment and over spray with soap and warm water.

Coverage :-
50 Sq.ft Per Ltr

Packing :-
5 , 50 & 200 Ltr

Shelf Life :-

- 12 months in original packing if stored at room temperature i.e. 25° C

Precautions & Safety :-

- MCON CURE WX is non-toxic.
- However, splashes on the skin should be washed well with water and in contact with eye occurs, wash well with water and seek medical advice.

An ISO 9001 : 2015 - An ISO 14001 : 2015 - AN BS OHSAS 45001 : 2018
